The screenshot shows the Envato homepage with a green header bar. At the top right, there are user statistics: 242,738 users and 408,346 items. Below the header, a large orange lightbulb icon is on the left, with the text "Hi, we're Envato." next to it. A brief description follows: "We started in 2006 with a simple idea - make awesome websites! Today we operate Marketplaces, Communities, Blogs & Educational Sites. Our sites reach hundreds of thousands of visitors everyday and are well loved around the world." Below this, a navigation bar includes "Jump to:" followed by "Meet Our Websites", "About Envato", "Press Kit", and "Contact Us". A sidebar on the left features a "Latest Envato News via Twitter" section with a small Twitter icon and a link to a tweet about their biggest launch. On the right, there are two main resource sections: "WorkAwesome" (Visit Site) which links to a site about dealing with workplace bullying, and "Tuts+ Network" (Visit Tuts+ Hub) which links to a site about power tools.
