

Elance per voi Offerte di Lavoro

di Paolo Franzese

The screenshot shows the Elance website interface. At the top, there are navigation links for 'GET SERVICES' and 'PROVIDE SERVICES', along with a 'Sign in or Register' link. Below this is a main navigation bar with tabs for 'HIRE', 'MANAGE', 'PAY', 'EXPLORE', and 'INBOX'. Under 'HIRE', there are sub-links for 'Search', 'Post Job', 'Browse', 'My Jobs', 'My Providers', and 'My Profile'. A secondary navigation bar includes a 'Blog / Help' link and a 'Looking for work?' link.

The main content area features a large heading: 'Hire, manage and pay experts to do your work.' To the right of this heading is a 'How Elance Works' link. Below the heading is a 'Find Experts (108,832)' section with a search input field, a dropdown menu for 'All Categories', and a 'Search' button. A 'Get Started' button with the text 'Post Your Job' is also present. Below the search area, there are popular search terms: 'PHP, Graphic Design, MySQL, SEO, Writing, WordPress, Flash, Research, Web Design, iPhone'.

The lower section of the screenshot shows a 'Web & Programming' category page. It includes a navigation bar with various categories like 'Design & Multimedia', 'Writing & Translation', 'Admin Support', 'Sales & Marketing', 'Finance & Legal', 'Legal', and 'Engineering & IT'. The main content area lists 'Professionals (Rated Today)' with three entries: 'Neuron Consultants Pvt. Ltd.', 'peachyjayfull', and 'ARTIS Technologies Pvt. Ltd. (P...)'. To the right of the listings is a 'Skills for Hire' section with a grid of skills including SQL, PHP, .NET, HTML, C#, Java, MySQL, CSS, ASP, JavaScript, and Flash. A 'Today on Elance' sidebar on the right displays statistics: '28,606 New Jobs Posted', '100,832 Experts', and '\$229,789,563 Provider Earnings'.

Sul mio gruppo per [Web Designers](#) ho trovato questa bellissima risorsa: www.elance.com

Questo il suo slogan: **Hire experts, Manage the work e Pay for results.**

Ma cos'è? è un sito nuovo e molto pratico che promuove l'incontro tra **domanda e offerta** di lavoro, in generale ma predisposto per **informatica e tecnologia**.

Elance gestisce tutto fino al pagamento in modo semplice.

Alcuni dati:

28606 lavori postati

100832 Esperti

\$ 222789772 movimentati

Vi registrate e poi andate in due sezioni: [Get Services](#), per offrire lavoro, o [Provide Services](#), per cercarlo.

Alcune riflessioni fatte da me, quale è la tendenza di internet? Quali lavori cercano?

Ecco i risultati:

Web & Programming → PHP e MySql

Design & Multimedia → Graphic Design e Photoshop

Writing & Translation → English e Article Writing

Admin. Support → Admin assistant e Office Admin

Sales & Marketing → Sales e Marketing Strategy

Finance & Mgt. → Management e Accounting

Legal → Contracts e Legal Research

Engineering & Mfg. → Manufacturing Design e Industrial Engineer

Ora non resta che postare i vostri commenti!
