

Mega-Raccolta dei più Popolari Web Design Mobile da cui trarre Ispirazione

di Paolo Franzese

Ogni **Web Design** che si rispetti deve tenere conto della versione “*Mobile*” del sito a cui sta lavorando, specialmente oggi giorno con l’avvento di device come **iPhone**.

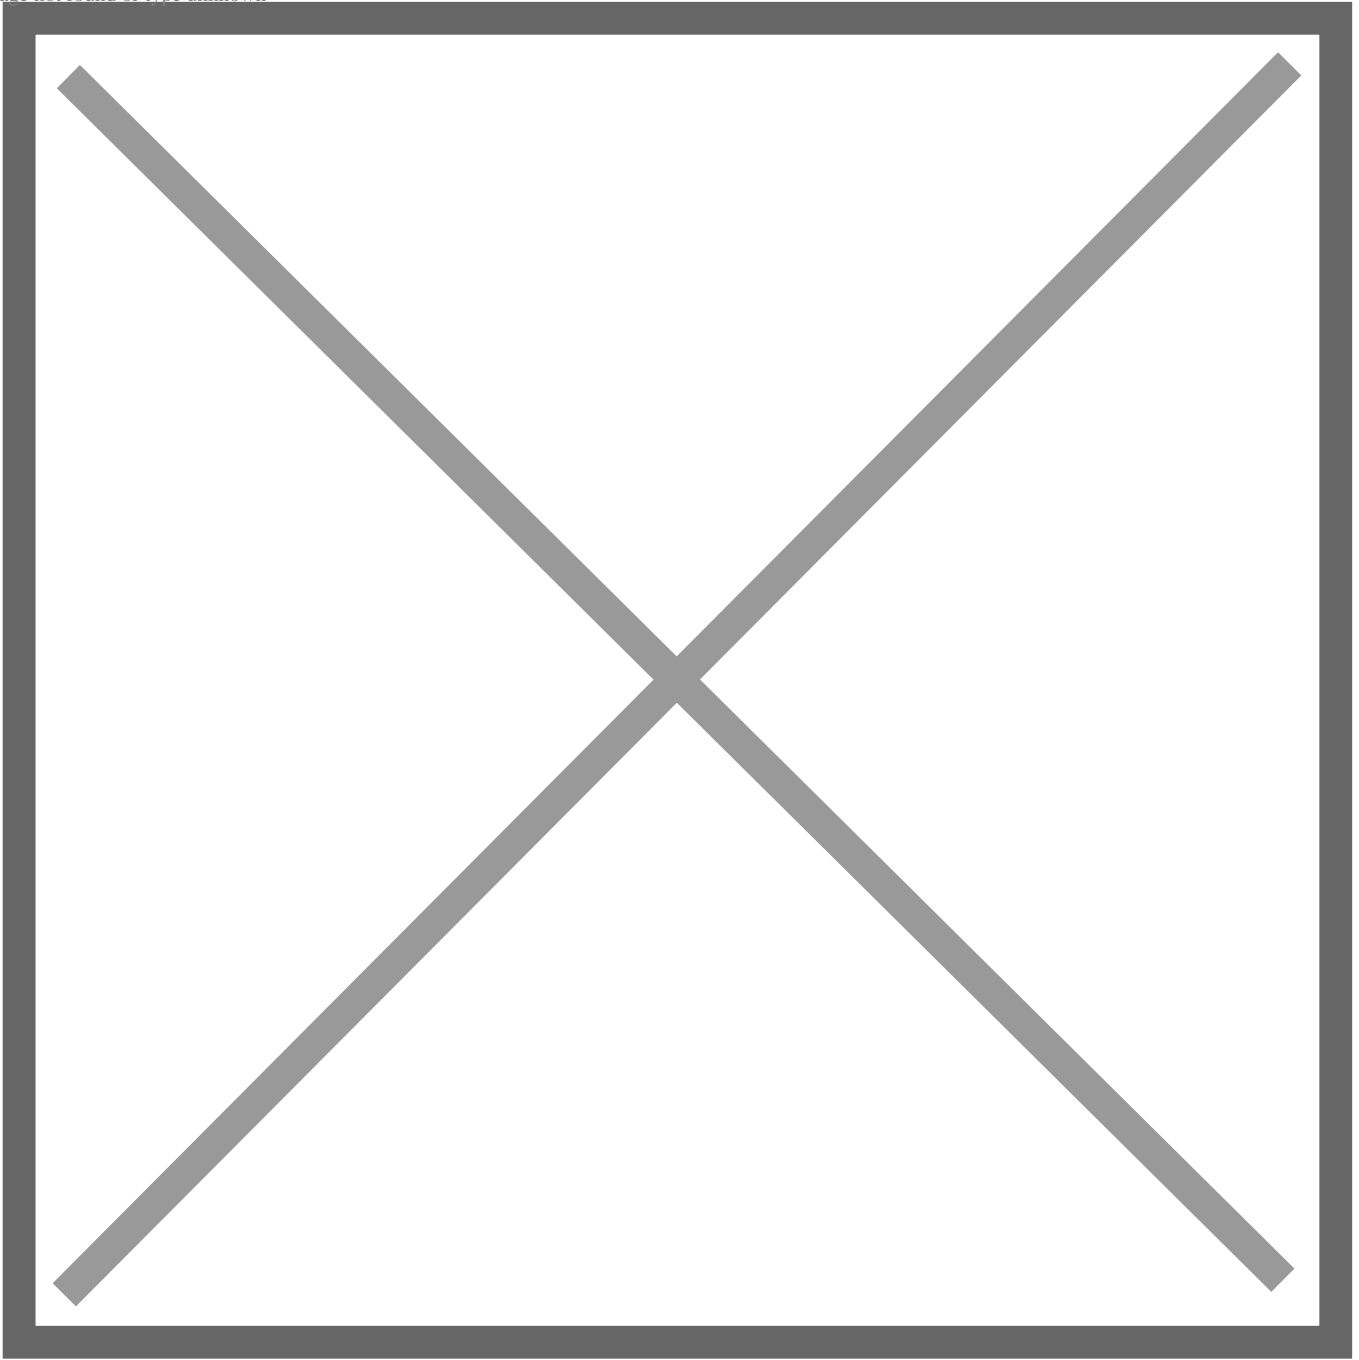

Oggi qui vi proponiamo solo per voi una **Mega-Raccolta** di esempio di **siti web in versione Mobile** tra i marchi più popolari del Web e non.

Speriamo che possa esservi di **ispirazione** nel realizzare le vostre versioni Mobile il meglio possibile.
