## Wikipedia article traffic statistics

What do Wikipedia's readers care about? Is [Britney Spears](#) more popular than [Brittany](#)? Is [Asia Carrera](#) more popular than [Asia](#)? How many people looked at the article on [Santa Claus](#) in December? How many looked at the article on [Ron Paul](#)?

What can you find?

### News:

- 2008-02-29: Non-English statistics added (available from February)
- 2008-03-05: Added [top list](#) for English Wikipedia. Other projects will be added soon.
- 2008-03-19: Top 1000 articles in February for all projects.

[About these stats](#). The raw data is available [here](#). This is very much a beta service and may disappear or change at any time.
