**Studio – Web Design, Clean responsive WordPress**

**BigWig – Modern Corporate HTML5 Template**

The screenshot displays the BigWig responsive real estate template. The main banner features a large, blurred green and yellow background image of a landscape with the text "INSPIRATIONAL BIG TEXT LINE" and "WITH A SMALLER LONG TEXT UNIT". Below the banner, the word "BigWig" is prominently displayed. To the left, there's a sidebar with a grid of small images. The central content area includes sections for "100% Responsive SEO Optimized Boxed / Wide Mode", "Fullscreen Portfolio Lazyloading Full Custom Slider", and "Responsive Lightbox Tablet Optimized Infinite Colors". At the bottom, a blue footer bar contains a small icon and the URL "HTTP://PINKLENTITA.COM".

## Full State – Responsive and Bootstrap Real State

The screenshot displays the Full State responsive real estate template. On the left, a dark sidebar features a house icon and the text "Full State". Below it is a bulleted list of features: "Responsive Web Design", "Based on Bootstrap", "Real Estate HTML Template", "Well Documented", "Easy to Customize", "Original Design", "HTML5 & CSS3", and "and much more...". To the right, a laptop screen shows the website's interface, which includes a search bar and a contact form overlay. The bottom of the page has a black bar with the text "HTML5 / CSS3 / JS / PHP".

## FOLD – Responsive Email Template

The screenshot displays the FOLD responsive email template across three devices: a desktop computer, a tablet, and a smartphone. A blue diagonal banner in the top right corner of the image area reads "RESPONSIVE". On the left side of the image, there is a sidebar with the FOLD logo at the top, followed by a list of features with corresponding icons:

- Easy To Edit
- 6 Color Variations
- 6 Different Layouts
- 432 HTML files
- Fully Layered PSD files
- Major Clients Supported
- Great Customization Support

Below the sidebar are two small icons: a yellow one labeled "HTML" and a blue one labeled "M". At the bottom of the sidebar, it says "Developed by: am&r" and "Designed by: dp design".

## Wedding Day – Responsive HTML Theme

The screenshot shows the Wedding Day responsive HTML theme displayed on a tablet. A purple circular overlay in the top right corner contains icons for a laptop, a tablet, and a smartphone, with the word "HTML" below them. To the left of the tablet, there is a vertical sidebar with the text "Wedding day" in a large, stylized font, and a list of five features with icons:

- 1 RESPONSIVE LAYOUT
- 2 STYLISH DESIGN
- 3 CROSS BROWSER
- 4 HTML 5 AND CSS 3
- 5 WELL DOCUMENTED

At the bottom of the sidebar, there are icons for Opera, Google Chrome, and Mozilla Firefox. The main content area of the tablet screen shows a collage of various wedding-related images, including people in wedding attire, flowers, and makeup.
