2 LIGHT SOURCES IN EACH LAMPSTER

3 LIGHT MODES!

LED

over 40.000 hours lifetime!
low consumption
activated **by touch**

RGB LED

over 40.000 hours lifetime!
low consumption
activated **by mobile device**

OFFICE

Focused, clear, light for the office using powerful white LEDS.

When you're at the office, just touch the Lampster head to turn on the office light! Touch again to set the intensity.
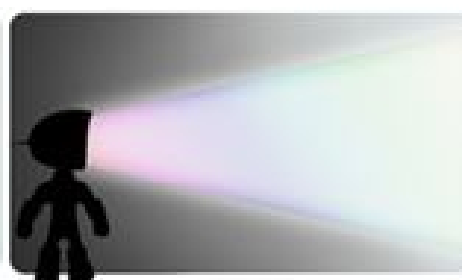

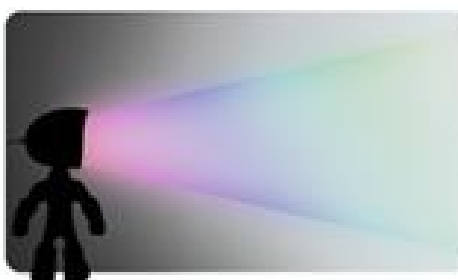

HOME

Ambient light for the house

When using the lampster for ambient light you can use the RGB LED to set any tone you want, all controlled by your mobile device! Will work with any app for controling a RGB LED.

OUTDOOR

Powerfull light for outdoor

Combine the two LED lights and get a powerfull light for outside the house whenever you have an outdoor party and don't worry about any water, the Lampster is resistant to liquid spills or a light rain!
