Complete Web Design Templates

di Paolo Franzese

Se avete necessità di sviluppare velocemente un sito web eccovi una deliziosa lista di templates:

1. TemplateNavigator: The largest catalogue of free website and flash templates, along with quality preview shots.
2. TemplateBox: Over 300 freebie website, logo, banner, and flash templates to complement their collection of paid offerings.
3. Template Monster: A small but very high-quality set of web, flash, and blog templates.
4. Art for the Web: 75 freebie templates. Pretty good place to look if you're looking for something slightly out of the ordinary.
5. Free CSS Templates: A 206 template strong resource which is frequently updated with new submissions.
6. Effex-Media: Free website templates designed by designers, this massive list is categorized by website type and includes user reviews of many of the templates.
7. DotcomWebDesign: Hundreds of free templates, some of which are really top-notch. However, the categorization is a little arbitrary so be ready to spend some time manually searching.
8. Themebot Design Templates: This site has some design templates, but not very many. There is a good amount of free themes.
9. Groovy Lizard: Personal page templates (commercial use must buy a license)
10. Interspire: Freebie web, Frontpage and Dreamweaver templates
11. Joyful Heart Designs: Personal page templates generally with floral designs.
12. OpenSourceTemplates: Free CSS and xhtml open source website templates and Web 2.0 designs.
13. Ricky's Web Templates: 50+ freebie templates, graphics, and buttons.
14. Free CSS Templates: A dozen full-featured fully functional CSS based templates.
15. FreekTemplates.com: A collection of business, cars and bikes, and hosting templates.
16. Template Perfection: 200+ freebie templates with quite a few non-english oriented templates.
17. TemplateWorkz: 48 freebie web templates, along with some basic logo and newsletter templates.
18. Zymic: 80 freebie templates (HTML Pages + CSS + Images + PSD Files + Blank Images Files).
19. OpenSourceTemplates: A community-driven CSS and xhtml open source template design showcase.
20. Freelayouts: HTML and Flash templates.
21. FreeCSSTemplates.org: Over 100 freebie CSS templates.
22. Free Layouts: Complete list of hundreds of HTML, flash, and CSS templates.
23. Free Templates Online: Dozens of easily customizable templates categorized by theme.
24. Free Website Templates: A large collection of templates that don't require a reciprocal link.
25. Six-Shooter Media: Free CSS and xhtml open source templates.
26. Free Flash Template: Web templates and intros with tons of special features.
27. Layouts4Free.com: Free web layouts with search capability.
28. Solucija: Free XHTML / CSS website templates already setup and sorted by commercial use.
